

South Schuylkill Community Builders

Neighbors investing monthly in the future of our community

South Schuylkill Unified, a 501(c) 3 nonprofit organization, is powered by community members who care deeply about this town. To support our work in a sustainable way, we are launching South Schuylkill Community Builders (SSCB), an inaugural monthly giving circle.

How it works

South Schuylkill Community Builders commit to a simple monthly donation that supports ongoing revitalization efforts. Monthly gifts allow us to plan ahead, respond quickly to opportunities, and maintain steady progress throughout the year.

Why monthly giving matters

- Predictable funding strengthens long-term planning
- Small monthly gifts add up to big impact
- Members become partners in shaping Main Street's future

Members receive

- A car magnet or window cling showing your community pride
- Invitations to exclusive events and business openings
- Opportunities to provide input on priorities and vision
- Early access to updates and community conversations
- Recognition as founding supporters of our next chapter

Donna Eberhart, Executive Director, will offer office hours for South Schuylkill Community Builders and community members to connect, ask questions, and share ideas.
